IBIS BRISBANE AIRPORT

Welcome

We have taken the steps to be ALL Safe at ibis Brisbane Airport. The wellbeing, health and safety of all guests and team members are our highest priority.

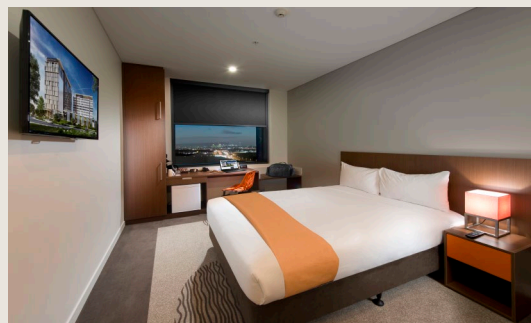

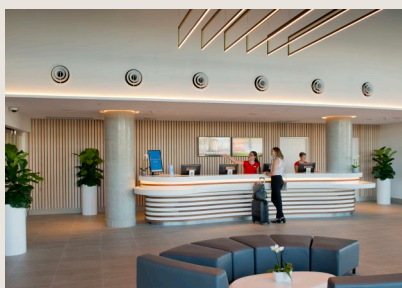

Accor Hotels' ALL Safe program has been created to ensure the highest level of protection combined with high service standards. Some of the steps we have taken include:

- Distance signs on the floor guide and ensure physical distancing
- Plexiglass shields have been installed at our front desk to minimise contact points
- Numerous sanitisation points located around public areas of hotel
- Face masks and gloves are available on request
- All surfaces in public areas are disinfected frequently, with particular attention to high contact points such as lift buttons and door handles
- All team members are trained on current safety and hygiene measurements
