

Coronavirus (COVID-19) Update

12th May, 2021

Brisbane Airport Hotels Group is continually monitoring the evolving situation in relation to the impact of Coronavirus (COVID-19). We will follow all guidelines and recommendations from Federal and State governments as well as health authorities.

Brisbane Airport Hotels Group is taking all necessary precautions and steps as recommended by Australian Government Department for Health, to help ensure the safety of our guests, visitors and team members. Our steps include:

- Hand sanitisers available throughout public areas including restaurants, reception desks, conferencing rooms
- Further increased sanitation and cleaning of all guest rooms, function rooms and communal areas to ensure all areas are disinfected and limit the potential transfer of any viral material
- Regular sterilisation of surfaces, including bathrooms, benches, door handles, lift buttons etc.
- Implementing additional food safety management standards within all food outlets.

At Brisbane Airport Hotels Group, the wellbeing of our guests, visitors and team members is our highest priority.

Kind regards,

Alex Penklis
Chief Operating Officer
